BPW-Projects & Experts

31.12.2020

A few years ago BPW International has started collecting a) projects realized by individual members (since 2016) b) projects realized by BPW's clubs and federations (since 2018) and experts (since 2016). The number of club & federation projects is expected to grow as many countries and clubs have not registered their projects (which are however reported by the country and regional coordinators in their annual reports).

Member Projects

23 projects (3 with 2 project leaders) from individual BPW members have been registered till end December 2020.
